Who's there?

CARNIVAL!!!!

Carnival WHO?

**F**rom décor that seemed just right to jugglers who made our jaws drop as much as their pins, this carnival was a **whirlwind of sights and sounds** that made reality take a backseat- and we gladly let it!

With the finesse of a maestro, the singer effortlessly navigated between timeless serenades and electrifying vigor of western rock, much like an exquisite blend of flavors in the food. Oh! Here comes drumroll for the feast... or should we say, forkroll. A flavor-packed Ensemble that had our taste buds dancing Salsa left us craving for one more bite.

Raising a toast, this evening took on a whole new meaning with whiskey bar conducting spirit symphonies, tequila bar adding a zesty twist, and gin bar sparking excitement like shooting stars. From entertainment that stepped into the vibrant pulse to the bar that served up smiles on the rocks, this carnival extravaganza was a joyride through and through.
