In sync with this year's theme, “Learn, Act, and Inspire,” the Entrepreneurs Organization (EO) Gurgaon Chapter, an exclusive congregation of pan-industry entrepreneurs, hosted an important learning session “The Art of Communication”. The Learning Chair of EO Gurgaon Chapter acknowledged the importance of communication for business development and invited its members to upgrade their communication skills and discover the secrets for effective business interactions. The session was conducted by Mr. Mihir Mankad, a renowned global communication expert.

The learning session helped members understand the importance of verbal and non-verbal communication. It gave them a platform to upskill their techniques of conveying ideas, building relationships, and inspiring others. The event attracted various entrepreneurs anxious to upgrade their communication skills and discover the secrets to effective **business interactions**.

Commenting on the resounding success of the session, **Mr. Aditya Tulsian, Learning Co-chair at EO Gurgaon said**, “In a learning session with EO Gurgaon members, we explored the essence of effective communication, even in the trickiest situations. The workshop covered storytelling, elevator pitching, impromptu speaking, responding to press conferences and media interviews, and leadership communication for crises management”

“We explored real-world cases from across the globe, spanning business and politics. Today’s leaders must master the skill of concise and precise storytelling. The learning session initiated dynamic learning through interactive discussions, culminating in a group crisis communication exercise. Our journey does not end here; we have more to uncover in the coming weeks, including style, structure, and online communication. The purpose of such learning sessions is to upskill EO members to shine through storytelling and the art of compelling communication” he added.

Mr. Mihir Mankad also articulated his views and said: “In a learning session with EO Gurgaon members, we explored the essence of effective communication, even in the trickiest situations. We explored real-world cases across the globe, spanning business, politics, and TED discussions. Today’s leaders must master the skill of concise and compelling storytelling. The learning session initiated dynamic learning through interactive discussions, build up in a crisis communication exercise. Our journey does not end here; we have more to uncover in the coming weeks, including style, structure, and online communication. The purpose of such learning sessions is to upskill EO members to shine through storytelling while respecting individual boundaries”.

The session concluded with important learnings, a lot of new knowledge, and improved communication skills. Such learning sessions will contribute to the EO Members’ success, as they employ these improved skills in their businesses and other areas of life. EO Gurgaon Chapter is committed to assisting entrepreneurs by providing useful learning experiences. The “Art of Communication” session shows EO’s dedication in providing members with the tools they need to succeed in their entrepreneurial Journey.

New Delhi [India], September 11 (ANI): Former Indian spinner Harbhajan Singh gave his verdict on whether India should stick with three spinners or go with a pacer instead for the World Cup campaign.

The 'Men in Blue' opened their World Cup campaign on a positive note following a hard fought victory against Australia.

One of the things that stood out in India's playing XI was selection of three spinners - Ravichandran Ashwin, Kuldeep Yadav and Ravindra Jadeja.

With India preparing to face Afghanistan at the Arun Jaitley Stadium on Wednesday, questions were being asked whether India would once again name a squad consisting of three spinners or not.

"It will depend on the pitch if the match takes place on a pitch like Chennai then three spinners can play irrespective of the opposition. It could be Pakistan

even when people say they play spin well or against South Africa who don't play spin well. Even against Afghanistan if pitch allows then three spinners should play if not then a world class seamer liked Mohammed Shami is sitting outside," Harbhajan Singh reasoned.

India will be looking to seal two consecutive victories as they make final preparations on the eve of the clash.

India captain Rohit Sharma, star all-rounder Ravindra Jadeja, bowler Shardul Thakur and batter Suryakumar Yadav were among the players captured while sweating it out in the nets.

India suffered a stutter in batting efforts in their WC opener against Australia in Chennai. Men in Blue managed to get out of trouble from 2/3 courtesy of Virat Kohli's 85 and KL Rahul's 97 to win the game by six wickets.

New Delhi: Former Indian spinner Harbhajan Singh gave his verdict on whether India should stick with three spinners or go with a pacer instead for the World Cup campaign.

2011 World Cup Winners including Harbhajan Singh, Yuvraj Singh and Virender Sehwag were speaking during an event titled **'Relive the 2011 World Cup Glory'** organised under the aegis of EO Gurgaon here on Tuesday.

The 'Men in Blue' opened their World Cup campaign on a note following a hard fought victory against Australia.

"It will depend on the pitch if the match takes place on a pitch like Chennai then three spinners can play irrespective of the opposition. CWC '23: Our middle-order not tested properly, feels Yuvraj; names THIS Indian who can win POTT award

WION Web Team

New Delhi, India • Updated: Oct 11, 2023, 07:30 PM IST

Rohit Sharma-led India opened their campaign in the ongoing home ODI World Cup with a comfortable win over five-time winners Australia in match 5 on Sunday (Oct 8) in Chennai. Chasing 200, India were 2 for 3 before Virat Kohli's 85 and KL Rahul's sublime 97* took India home with six wickets, and 52 balls, to spare. Ahead of India's second game, where they lock horns with Afghanistan in New Delhi on Wednesday (Oct 11), former Indian all-rounder Yuvraj Singh opened up on India's middle-order and made a big claim.

In the last World Cup, held in England and Wales in 2019, there was immense talk on India's middle-order – especially who will bat at No. 4. Their shaky middle and lower order resulted in their semi-final loss versus New Zealand.

This time around, India had a lot of time finalising their middle order (due to several injuries) but now have a settled line-up.

However, Yuvraj feels Kohli and Rahul have handled the bulk of scoring as No. 6 and No. 7 have not been tested yet.

Responding to WION during a presser in the national capital on Tuesday (Oct 10), Yuvi said on the middle-order, "I thought they were playing well in 2019 but pressure came in the big game (in the semi-finals). Pressure will come in big games only."

He opined, "I don't think the middle order has been tested properly so far. Virat bats at 3 and KL bats at 5. Batting hasn't come at 6 and 7. So others have not been tested. We need to absorb the pressure really well."

Yuvraj, along with Harbhajan Singh and Virender Sehwag, was present for an event (by EO Gurgaon) held primarily to recall India's 2011 World Cup triumph.

JADEJA TO WIN POTT IN CWC '23?

Later in the event, Yuvraj was asked by a fan who could replicate his CWC '11 performance, where he ended as the Player of the Tournament, and win the big prize this time around. To this, the veteran named Ravindra Jadeja.

While the superstar cricketer named Rohit, Kohli, Shubman Gill (who is currently unwell) and Hardik Pandya as well, he finally went with Jadeja.

Yuvraj feels Jadeja's spin will be handy, which was the case versus Australia where he ended with 3 for 28. Jadeja's batting lower down the order will also be crucial to India's chances.

At present, India are up against Afghanistan and have lost the toss. Afghanistan have opted to bat first at the Arun Jaitley Stadium in New Delhi.

पूर्व स्पिनर हरभजन सिंह ने इस पर अपनी राय दी कि भारत को सीडब्ल्यूसी 2023 के लिए तीन स्पिनरों के साथ रहना चाहिए या नहीं

नई दिल्ली (एएनआई): पूर्व भारतीय स्पिनर हरभजन सिंह ने इस पर अपना फेसला सुनाया कि क्या भारत को विश्व कप अभियान के लिए तीन स्पिनरों के साथ रहना चाहिए या एक तेज गेंदबाज के साथ जाना चाहिए।

ऑस्ट्रेलिया के खिलाफ कड़ी संघर्षपूर्ण जीत के बाद 'मेन इन ब्लू' ने अपने विश्व कप अभियान की सकारात्मक शुरुआत की। भारत की अंतिम एकादश में जो बात सबसे खास रही, वह थी तीन स्पिनरों- रविचंद्रन अश्विन, कुलदीप यादव और रवींद्र जड़ेजा का चयन। भारत बुधवार को अरुण जेटली स्टेडियम में अफगानिस्तान का सामना करने की तैयारी कर रहा है, ऐसे में सवाल पूछे जा रहे हैं कि क्या भारत एक बार फिर तीन स्पिनरों वाली टीम का चयन करेगा या नहीं।

"यह पिच पर निर्भर करेगा अगर मैच चेन्नई जैसी पिच पर होता है तो विपक्ष के बाकजुद तीन स्पिनर खेल सकते हैं। यह पाकिस्तान भी हो सकता है जब लोग कहते हैं कि वे स्पिन अच्छा खेलते हैं या दक्षिण अफ्रीका के खिलाफ जो स्पिन अच्छा नहीं खेलता है अफगानिस्तान के खिलाफ भी अगर पिच इजाजत देती है तो तीन स्पिनरों को खेलना चाहिए, अगर नहीं तो मोहम्मद शमी जैसा विश्व स्तरीय तेज गेंदबाज बाहर बैठा है," हरभजन सिंह ने तर्क दिया।

भारत लगातार दो जीत हासिल करना चाहेगा क्योंकि वह मुकाबले की पूर्व संघा पर अंतिम तैयारी कर रहा है। भारत के कप्तान रोहित शर्मा, स्टार ऑलराउंडर रवींद्र जड़ेजा, गेंदबाज शार्दूल ठाकुर और बल्लेबाज सूर्यकुमार यादव उन खिलाड़ियों में शामिल थे, जिन्हें नेट्स पर पसीना बहाते हुए कैद किया गया।

भारत को चेन्नई में ऑस्ट्रेलिया के खिलाफ विश्व कप के पहले मैच में बल्लेबाजी प्रयासों में रुकावट का सामना करना पड़ा। विराट कोहली के 85 और केएल राहुल के 97 रनों की बदौलत मेन इन ब्लू 2/3 की परेशानी से बाहर निकलने में कामयाब रही और छह विकेट से गेम जीत लिया।

भारतीय टीम: रोहित शर्मा (कप्तान), केएल राहुल (विकेटकीपर), ईशान किशन, विराट कोहली, श्रेयस अय्यर, हार्दिक पंड्या, रवींद्र जड़ेजा, रविचंद्रन अश्विन, कुलदीप यादव, जसप्रीत बुमरा, मोहम्मद सिराज, मोहम्मद शमी, सूर्यकुमार यादव और शार्दूल ठाकुर . (एएनआई)

New Delhi [India], September 11 (ANI): Former Indian spinner Harbhajan Singh gave his verdict on whether India should stick with three spinners or go with a pacer instead for the World Cup campaign.

The 'Men in Blue' opened their World Cup campaign on a positive note following a hard fought victory against Australia.

One of the things that stood out in India's playing XI was selection of three spinners - Ravichandran Ashwin, Kuldeep Yadav and Ravindra Jadeja.

With India preparing to face Afghanistan at the Arun Jaitley Stadium on Wednesday, questions were being asked whether India would once again name a squad consisting of three spinners or not.

"It will depend on the pitch if the match takes place on a pitch like Chennai then three spinners can play irrespective of the opposition. It could be Pakistan

even when people say they play spin well or against South Africa who don't play spin well. Even against Afghanistan if pitch allows then three spinners should play if not then a world class seamer liked Mohammed Shami is sitting outside," Harbhajan Singh reasoned.

India will be looking to seal two consecutive victories as they make final preparations on the eve of the clash.

India captain Rohit Sharma, star all-rounder Ravindra Jadeja, bowler Shardul Thakur and batter Suryakumar Yadav were among the players captured while sweating it out in the nets.

India suffered a stutter in batting efforts in their WC opener against Australia in Chennai. Men in Blue managed to get out of trouble from 2/3 courtesy of Virat Kohli's 85 and KL Rahul's 97 to win the game by six wickets.

New Delhi [India], September 11 (ANI): Former Indian spinner Harbhajan Singh gave his verdict on whether India should stick with three spinners or go with a pacer instead for the World Cup campaign.

The 'Men in Blue' opened their World Cup campaign on a positive note following a hard fought victory against Australia.

One of the things that stood out in India's playing XI was selection of three spinners - Ravichandran Ashwin, Kuldeep Yadav and Ravindra Jadeja.

With India preparing to face Afghanistan at the Arun Jaitley Stadium on Wednesday, questions were being asked whether India would once again name a squad consisting of three spinners or not.

"It will depend on the pitch if the match takes place on a pitch like Chennai then three spinners can play irrespective of the opposition. It could be Pakistan

even when people say they play spin well or against South Africa who don't play spin well. Even against Afghanistan if pitch allows then three spinners should play if not then a world class seamer liked Mohammed Shami is sitting outside," Harbhajan Singh reasoned.

India will be looking to seal two consecutive victories as they make final preparations on the eve of the clash.

India captain Rohit Sharma, star all-rounder Ravindra Jadeja, bowler Shardul Thakur and batter Suryakumar Yadav were among the players captured while sweating it out in the nets.

New Delhi [India], September 11 (ANI): Former Indian spinner Harbhajan Singh gave his verdict on whether India should stick with three spinners or go with a pacer instead for the World Cup campaign.

The 'Men in Blue' opened their World Cup campaign on a positive note following a hard fought victory against Australia.

One of the things that stood out in India's playing XI was selection of three spinners - Ravichandran Ashwin, Kuldeep Yadav and Ravindra Jadeja.

With India preparing to face Afghanistan at the Arun Jaitley Stadium on Wednesday, questions were being asked whether India would once again name a squad consisting of three spinners or not.

"It will depend on the pitch if the match takes place on a pitch like Chennai then three spinners can play irrespective of the opposition. It could be Pakistan

even when people say they play spin well or against South Africa who don't play spin well. Even against Afghanistan if pitch allows then three spinners should play if not then a world class seamer liked Mohammed Shami is sitting outside," Harbhajan Singh reasoned.

India will be looking to seal two consecutive victories as they make final preparations on the eve of the clash.

India captain Rohit Sharma, star all-rounder Ravindra Jadeja, bowler Shardul Thakur and batter Suryakumar Yadav were among the players captured while sweating it out in the nets.

India suffered a stutter in batting efforts in their WC opener against Australia in Chennai. Men in Blue managed to get out of trouble from 2/3 courtesy of Virat Kohli's 85 and KL Rahul's 97 to win the game by six wickets.

EO Gurgaon brought together leading entrepreneurs to witness the anecdotal one-on-one between Virender Sehwag, Harbhajan Singh, and Yuvraj Singh

Under the theme 'Learn. Act. and Inspire.' an event titled, "Relive the 2011 World Cup Glory", the event was structured as an interactive, interpersonal session, that leaned into the nation's resurfacing cricket fervour

The event aimed to draw parallels between the mindset, strategy, and ambition in the worlds of entrepreneurship and cricket

New Delhi, October 17, 2023, | Extending their portfolio of high-profile events, Entrepreneurs Organization (Gurgaon Chapter), conducted, the cricket meets entrepreneurship-themed event titled, "Relive the 2011 World Cup Glory". Members of EO Gurgaon witnessed an anecdotal retelling of the events of the 2011 ICC Men's World Cup, from the winning team's men themselves – Virender Sehwag, Yuvraj Singh, and Harbhajan Singh. These key architects of India's 2011 victory were warmly welcomed by the EO Gurgaon.

The event opened with an opening keynote by Aditya Tulsan, Learning Co Chair of EO Gurgaon. He addressed the full house, with personal anecdotes of his match day superstitions and rituals, while extending gratitude to the event's sponsors – Motilal Oswal and Ideal Insurance.

Next, Mr. Vipul Jain, President of EO Gurgaon, addressed how this event was unlike any other EO events, as the agenda went beyond addressing entrepreneurs, growth, and economy, and leaned into the passionate energy of the 2023 ICC Men's World Cup, that has resurfaced cricket fervour, across demographics in that nation. The talk moderator – Riddhima Pathak, a renowned sports presenter – soon welcomed the Veterans' taking stage.

Virender Sehwag, the swashbuckling batter, is known for his psychologically dismantling game and untamed precision. Yet he credited his bat for scoring four 4's against Pakistan, sharing how his drive stemmed from an off-handed comment he overheard.

Commenting on World Cup preparations, the triple-centurial batter explained how they had to start since 2008, to feel completely ready by 2011. For this, they played all series and test cricket as knockout matches, while helping each other to overcome personal challenges.

On being asked if he felt any pressure to convert his 90 runs to a century, Virender Sehwag shared how he

approached the opportunity statistically. He said if he scored one run in each ball then there were 10 chances for him to lose his wicket. Instead, he tried to close the gap with the statistically fit option of scoring a century in the next two balls with a 4 and a 6.

Among jokes and other crowd pulling anecdotes, Sehwag also took the time to appreciate Yuvraaj Singh's contribution to the 2011 world cup, saying, without 'Yuvi', India would not have made it to the Semi Finals.

In the span of a decade, Yuvraj Singh's narrative traversed a spectrum of profound emotions—from the euphoric pinnacle of World Cup triumph to the gruelling depths of his diagnosis. Sharing profound dressing room interactions, Singh mentioned he felt such gratitude playing next to Sachin Tendulkar in the 2011 World Cup, that he soon started to emulate Sachin's left pad first routine.

Commenting on the obscure nature of preparations, Yuvraj Singh, said how everyone treats your life as a spectator sport, which can dismantle any inexperienced person. He shared that this is why he tried to keep his mindset unscathed, even after bad performances.

Yuvraaj Singh was also asked of his journey with cancer and what gave him strength during that difficult time. Answer this, he shared how he had begun to experience pressing symptoms during the world cup preparations, but he was undiagnosed then. The world Cup demanded full attention and grit, so he persevered.

Post diagnosis, he leaned into the support of his loved ones, and started his foundation – YuviCan, to help underprivileged kids access medical care for their debilitating health conditions. Yuvraaj Singh also urged the EO Members in the audience to contribute and support to his foundation.

Reflecting on his illustrious career, Harbhajan Singh reminisced about the intensity of India-Pakistan matches, highlighting the Mohali match where he took 2 crucial wickets. He revealed that the pressure to perform in homeland matches was unparalleled, emphasizing that the pressure for tickets sometimes exceeded the pressure to take wickets on the pitch.

When questioned about his pre-match superstitions, Harbhajan candidly shared his experiences, stating that he had experimented with different rituals, ultimately leaving the outcome to a higher power. Addressing a difficult loss against South Africa, Singh revealed that it was a topic that nobody wished to discuss immediately after the match. He emphasized the resilience required to bounce back after such defeats, a sentiment echoed by many professional athletes.

In response to a business-related query, Singh drew parallels between the challenges faced in personal and professional life. He stated that cricketers, like entrepreneurs, experience the cyclical nature of success and failure. He jokingly mentioned how business orders can be realized again soon, but the chance at a world cup comes only once in 4 years.

Commenting on the resounding success of the event, Mr. Vipul Jain, President of EO Gurgaon, said, "We wanted to congregate all our members to lean into the cricket fever in the air. , It is an atypical EO event, where the binding theme was essentially – fun and reliving the 2011 Victory, and we wanted to call the champions themselves to give us that inside edge. Whenever there is a story, there is a learning, and this is how this event was aligned to our theme of "Learn. Act. Inspire." It's not just a physical sport. The

mental dexterity that goes behind their game is parallel with an entrepreneur's journey. We must train ourselves, and be mentally prepared for failures, let downs. Yuvraj's story of winning the World Cup, getting diagnosed immediately after, and then returning to field is as motivating as it is shocking. As entrepreneurs, we get to the pinnacle of success, we fail, we stand up again. So, it is always great to learn from such sources."

The event was drawn to a conclusion by felicitating Virender Sehwag, Harbhajan Singh, and Yuvraj Singh. with paintings done by Autistic Children, along with a donation made in the Cricketer's names. The EO members were photographed with the cricket legends, marking the successful culmination of the one-of-a-kind event, that was aligned to the annual theme of – "Learn. Act. Inspire."

Among jokes and anecdotes, Sehwag also took the time to appreciate Yuvraj Singh's contribution to the 2011 World Cup, saying, that without 'Yuvi', India would not have made it to the Semi-Finals.

Yuvraj Singh's journey was profound, from World Cup triumph to chemotherapy. He shared how he had begun to experience pressing symptoms during the World Cup preparations, but he was undiagnosed then. The World Cup demanded full attention and grit, so he just persevered keeping in mind the larger goal. Continuing to talk about his battle with cancer, he emphasized the need for resilience and giving back through his foundation, YuviCan.

He also expressed gratitude for playing alongside Sachin Tendulkar, who not only guided him during his tough times but also became his motivation to win the cup. One of his remarks that also hit home was Singh's advice on handling life by maintaining a steadfast mindset even after poor performances.

Harbhajan Singh added a unique perspective on India-Pakistan matches and the intense pressure in homeland games, especially getting match tickets for friends & family. When questioned about his pre-match superstitions, Harbhajan candidly shared his experiences, stating that he had experimented with different rituals, ultimately leaving the outcome to a higher power.

Addressing a difficult loss against South Africa, Singh revealed that it was a topic that nobody spent time discussing immediately after the match but rather chose to move on. He emphasized the resilience required to bounce back after such defeats, a sentiment echoed by many professional athletes.

In response to a business-related query, Singh drew parallels between the challenges faced in personal and professional life. He stated that cricketers, like entrepreneurs, experience the cyclical nature of success and failure. He jokingly mentioned how business orders can be realized again soon, but the chance at a World Cup comes only once in 4 years.

“Commenting on the resounding success of the event, Mr. Vipul Jain, Current President of EO Gurgaon, said, “We wanted to congregate all our members to lean into the cricket fever in the air. , It is an atypical EO event, where the binding theme was essentially – fun and reliving the 2011 Victory, and we wanted to call the champions themselves to give us that inside edge. Whenever there is a story, there is a learning, and this is how this event was aligned to our theme of “Learn. Act. Inspire.” It’s not just a physical sport.”

“The mental dexterity that goes behind their game is parallel with an entrepreneur’s journey. We must train ourselves, and be mentally prepared for failures, let downs. Yuvraj’s story of winning the World Cup, getting diagnosed immediately after, and then returning to the field is as motivating as it is shocking. As entrepreneurs, we get to the pinnacle of success, we fail, we stand up again. So, it is always great to learn from such champions.””

The event concluded with a heartfelt gesture, as the cricketers were felicitated with paintings created by autistic children, along with donations in their names. The EO members shared memorable moments with the cricketing icons, marking a successful culmination of an extraordinary event aligned with the theme of “Learn. Act. Inspire.”

संचार न्यूज़। हाई-प्रोफाइल कार्यक्रमों के अपने पोर्टफोलियो का विस्तार करते हुए, एंटरप्रेन्योर्स ऑर्गनाइजेशन (गुड़गांव चैप्टर) ने क्रिकेट मीट एंटरप्रेन्योरशिप-थीम वाले कार्यक्रम का आयोजन किया। जिसका शीर्षक था, "2011 विश्व कप के गौरव को पुनः प्राप्त करें"। ईओ गुड़गांव के सदस्यों ने विजेता टीम के खिलाड़ियों – वीरेन्द्र सहवाग, युवराज सिंह और हरभजन सिंह से 2011 आईसीसी पुरुष विश्व कप की घटनाओं का एक किस्सा सुना। भारत की 2011 की जीत के इन प्रमुख वास्तुकारों का ईओ गुड़गांव द्वारा गर्मजोशी से स्वागत किया गया।

EO Gurgaon के लर्निंग चेयर आदित्य तुलसन के अंतर्दृष्टिपूर्ण मुख्य वक्ता के साथ शुरुआत करते हुए, दर्शकों को व्यक्तिगत उपाख्यान से रूबरू कराया। जिसमें क्रिकेट की परिवर्तनकारी शक्ति और आम नागरिकों के साथ इसकी प्रतिध्वनि के बारे में बताया गया। उन्होंने बताया कि उद्यमियों के लिए इन WC 2011 चैंपियनों की दृढ़ता और तैयारी से कितना कुछ सीखना बाकी है। EO Gurgaon के वर्तमान अध्यक्ष विपुल जैन ने पारंपरिक व्यवसाय-केंद्रित एजेंडे से परे क्रिकेट उत्साह और उद्यमिता के अनूठे मिश्रण पर प्रकाश डाला।

प्रसिद्ध खेल प्रस्तोता रिद्धिमा पाठक ने सत्र का कुशलतापूर्वक संचालन किया और क्रिकेटर्स को अनूठी कहानियाँ और मूल्यवान सबक साझा करने के लिए प्रेरित किया। वीरेन्द्र सहवाग ने अपनी आक्रामक शैली के किस्से सुनाए और पाकिस्तान के खिलाफ यादगार चार चौकों की प्रेरणा के रूप में विपक्ष की एक अभद्र टिप्पणी का हवाला दिया। उन्होंने विश्व कप 2011 के लिए 2008 में ही शुरू की गई व्यापक तैयारियों पर प्रकाश डाला और इस बात पर जोर दिया कि इस 3 साल की अवधि के दौरान प्रत्येक मैच को नॉकआउट की तरह माना जाता था। जिससे मानसिक विकास को बढ़ावा मिलता था और अंतिम चुनौतियों के लिए तैयारी होती थी।

यह पूछे जाने पर कि क्या उन्हें अपने 90 रनों को शतक में बदलने का कोई दबाव महसूस हुआ, वीरेंद्र सहवाग ने साझा किया कि उन्होंने सांख्यिकीय रूप से इस अवसर का कैसे सामना किया। उन्होंने कहा कि अगर वह हर गेंद पर एक रन बनाते तो उनके विकेट गंवाने के 10 मौके होते। इसके बजाय, उन्होंने अगली दो गेंदों में 4 और 6 के साथ शतक बनाने के सांख्यिकीय रूप से उपयुक्त विकल्प के साथ अंतर को कम करने की कोशिश की।

चुटकुलों और किस्सों के बीच, सहवाग ने 2011 विश्व कप में युवराज सिंह के योगदान की सराहना करने के लिए भी समय निकाला और कहा, 'युवी' के बिना, भारत सेमीफाइनल में नहीं पहुंच पाता।

विश्व कप जीत से लेकर कीमोथेरेपी तक युवराज सिंह का सफर बहुत गहरा था। उन्होंने साझा किया कि कैसे विश्व कप की तैयारियों के दौरान उन्हें दबाव के लक्षणों का अनुभव होना शुरू हुआ था, लेकिन तब उनका निदान नहीं किया गया था। विश्व कप के लिए पूरे ध्यान और धैर्य की आवश्यकता थी, इसलिए वह बड़े लक्ष्य को ध्यान में रखते हुए डटे रहे। कैसर से अपनी लड़ाई के बारे में बात करना जारी रखते हुए, उन्होंने लचीलेपन और अपने फाउंडेशन, YuviCan के माध्यम से वापस देने की आवश्यकता पर जोर दिया।

उन्होंने सचिन तेंदुलकर के साथ खेलने के लिए भी आभार व्यक्त किया। जिन्होंने न केवल कठिन समय में उनका मार्गदर्शन किया बल्कि कप जीतने के लिए उनकी प्रेरणा भी बने। उनकी एक टिप्पणी जो घर कर गई वह यह थी कि सिंह ने खराब प्रदर्शन के बाद भी दृढ़ मानसिकता बनाए रखते हुए जीवन को संभालने की सलाह दी थी।

हरभजन सिंह ने भारत-पाकिस्तान मैचों और होमलैंड गेम्स में तीव्र दबाव, विशेषकर दोस्तों और परिवार के लिए मैच टिकट प्राप्त करने पर एक अनूठा दृष्टिकोण जोड़ा। जब उनसे मैच से पहले के अंधविश्वासों के बारे में सवाल किया गया, तो हरभजन ने खुलकर अपने अनुभव साझा किए, उन्होंने कहा कि उन्होंने विभिन्न अनुष्ठानों के साथ प्रयोग किया था, और अंततः परिणाम को एक उच्च शक्ति पर छोड़ दिया।

दक्षिण अफ्रीका के खिलाफ एक कठिन हार को संबोधित करते हुए, सिंह ने खुलासा किया कि यह एक ऐसा विषय था जिस पर मैच के तुरंत बाद चर्चा करने में किसी ने समय नहीं बिताया, बल्कि आगे बढ़ना चुना। उन्होंने इस तरह की हार के बाद वापसी करने के लिए आवश्यक लचीलेपन पर जोर दिया, कई पेशेवर एथलीटों ने भी यही भावना व्यक्त की।

कारोबार के बारे में सवाल पूछे जाने पर सिंह ने व्यक्तिगत एवं पेशेवर जीवन की चुनौतियों की बात की। उन्होंने कहा कि क्रिकेटर्स को भी उद्यमियों की तरह सफलता और असफलता का सामना करना पड़ता है। उन्होंने कहा कि बिज़नेस में आप जल्दी से दोबारा चांस ले सकते हैं लेकिन वर्ल्ड कप का चांस 4 साल में एक बार ही आता है।

कार्यक्रम की सफलता पर बात करते हुए श्री विपुल जैन, प्रेज़ीडेन्ट, EO Gurgaon ने कहा, "हम अपने सभी सदस्यों को क्रिकेट के जोश के साथ जोड़ना चाहते थे। आयोजन की थीम 2011 की जीत पर आधारित थी, हम चाहते थे कि चैम्पियन खुद अपने अनुभवों को साझा करें। हर कहानी से हमें कुछ सीखने को मिलता है और इस कार्यक्रम हमारी थी 'लर्न, एक्ट, इन्सपायर' के अनुरूप है। यह सिर्फ एक शारीरिक खेल नहीं है। इसमें आपको मानसिक मजबूती की ज़रूरत भी होती है। हमें अपने आप को असफलता के लिए भी मानसिक रूप से तैयार करना होता है। युवराज की वर्ल्ड कप जीतने की कहानी और उसके ठीक बाद कैसर का पता चलना और फिर से मैदान पर वापसी जितनी प्रेरणादायी है उतना ही आपको भीतर से हिलाकर भी रख देती है। उद्यमियों की तरह हम सफल होते हैं, असफल होते हैं और फिर से उठकर खड़े हो जाते हैं। हमें इस तरह के स्रोतों से हमेशा सीखने की कोशिश करनी चाहिए।"

वीरेंद्र सहवाग, हरभजन सिंह और युवराज सिंह को सम्मानित करने के साथ आयोजन का समापन हुआ। ऑटिज़्म से पीड़ित बच्चों द्वारा बनाई गई पेंटिंग्स पेश की गईं और क्रिकेटर्स के नाम पर दान दिया गया। ईओ सदस्यों ने क्रिकेट के दिग्गजों के साथ तस्वीरें खींचीं और कार्यक्रम का सफल समापन हुआ, जो सालाना थीम- 'लर्न, एक्ट, इन्सपायर' के अनुरूप था।

[#WATCH](#) | Delhi: Former Indian spinner Harbhajan Singh gave his verdict on whether India should stick with three spinners or go with a pacer instead for the World Cup campaign.

"It will depend on the pitch if the match takes place on a pitch like Chennai then three spinners can play irrespective of the opposition. It could be Pakistan even when people say they play spin well or South Africa who don't play spin well. Even against Afghanistan if pitch allows then three spinners should play if not then a world-class seamer like Mohammed Shami is sitting outside," he said. (10:10)
